

INNOVATORS IN WASTE SCIENCE
AND RECYCLING TECHNOLOGIES

5th December 2018

The Old Peat Works Update

After an extensive planning and consultation process the 4R Group has now submitted their planning application to the East Riding of Yorkshire Council for the Old Peat Works near Swinefleet.

There will now be a period of consultation with all statutory consultees and other interested parties. The application can be viewed, on the East Riding of Yorkshire web page, <https://www.eastriding.gov.uk/environment/planning-and-building-control/planning-disclaimer/>, the planning application reference number is: 18/03711/CM.

This process allows all interested parties to have their say with regard to the application.

The application covers:

- Traffic Timing Movements and Routing
- Environmental Impact and Mitigation
- Operating Hours
- Processes to be Carried out on Site
- Flood Risk Assessment and Mitigation
- Community Fund
- Commitment to Working with a Residents Group

If you would like further information around the application, then please do not hesitate to contact us on theoldpeatworks@4r-group.co.uk or by telephone on 0113 232 2400.

Many Thanks

Paul Whyatt
